

Scotch®

Clean Removal Strapping Tape 8899HP

Holds strong. Removes cleanly.

Get the job done right the first time with the most trusted brand in the industry. Rely on the superior performance of Scotch® Clean Removal Strapping Tape to secure your product components — and your peace of mind.

Scotch® Clean Removal Strapping Tape 8899HP secures appliance parts and electronic components during manufacture and shipping. The easy-to-apply tapes don't leave behind a sticky residue and won't stain or damage the surface.* Best of all, you can take pride in both your product and your reputation.

When your job requires dependable tapes that work right every time, Scotch brand tapes from 3M are the perfect solution.

*3M suggests evaluating 8899HP on the specific surface to determine suitable performance in the application.

Scotch® Clean Removal Strapping Tape 8899HP

High strength. Superior performance.

- Proprietary 3M pressure-sensitive rubber adhesive is specifically formulated to adhere evenly to surfaces
- Removes cleanly and resists stains on common surfaces, such as painted metal, plastic and glass
- Special polypropylene film backing provides proper stiffness and resists abrasion, moisture and scuffs
- Easy to apply, saves time and eliminates the need for rework
- Available in a variety of widths and colors to fit your manufacturing and shipping applications

8899HP is available in several industry standard colors.

Secure movable components, tie down cords and temporarily attach surface and edge protection.
